

SOCIALISTS WILL SIT ON BOARD OF ALDERMEN FOR FIRST TIME

hattan gave him the strongest support, but he was overwhelmed in the other boroughs, especially in The Bronx, where he was badly beaten by Hillquit. Brooklyn voted its disapproval of him with a smashing opposition vote, while Queens, contrary to the expectations of the Mitchell leaders, gave him poor support.

Socialists Vote Straight Ticket.

The Socialist voters also departed from their usual custom this year and voted the straight Socialist ticket, with the result that the other candidates on the Hillquit ticket polled enormous votes in comparison to the small vote obtained by the Socialists in the last election.

The Bennett vote came largely from Brooklyn, where he polled a total of 27,859. Manhattan gave him 11,829. The Bronx 5,043, Queens 5,751, while Richmond but 1,914.

Tammany also captured the District Attorneyship in every borough where there was an election for that office.

The fight of Edward T. O'Loughlin against Edward Riegelmann in Brooklyn for the Borough Presidency went by the boards, as did every other fight against the "regular" Tammany candidate by an insurgent.

While all of the figures on all of the offices have not been tabulated at this hour, there remains no doubt that Tammany is in possession of practically every office contested for with the exception of the Attorney-Generalship.

TAMMANY VOTES AND VISITS FATHER.

Joseph P. Tammany, secretary to President Wilson, went to Jersey City yesterday to vote. He cast his ballot at the polling place in the Fourth election district of the Fourth ward, at York and Varot streets, Jersey City.

INTEREST IN SUFFRAGE VOTE.

The slow returns from New York's statewide vote on the question of universal suffrage held the attention of the President to-night. As the evening progressed the complete certainty of overwhelming Tammany success in New York and of Republican victories in the few Congressional by-elections, caused interest to centre on the suffrage fight to the exclusion of other matters.

O'LEARY ELECTED IN QUEENS.

With seven election districts missing Queens county appears to have elected O'Leary, Fusion candidate, District Attorney. His vote was 27,648. Daly, Tammany candidate, polled 24,494.
